

Junior Fellow Terms of Enrolment 2020/21

These Terms of Enrolment set out the basis on which the Guildhall School of Music & Drama will deliver education services to you as a Junior Fellow of the School receiving extra mural one-to-one lessons.

By accepting these Terms of Enrolment on your enrolment form you are entering into a contractual agreement to abide by the terms of enrolment and the Guildhall School regulations and policies in force for this academic year listed below. Full versions of the School's regulations and policies can be found on the School's [website](#) and are available in hard copy on request from Registry (registry@gsmd.ac.uk). The School's regulations and policies are reviewed and updated annually. The key terms and documents are given below:

Rights and obligations

We will deliver educational services free of charge as agreed in your offer letter. We may need to make changes to our educational services during the year to comply with any applicable law or safety requirements; if this is necessary we will endeavour to ensure that these do not materially affect the nature or quality of our services and, in any event, will notify you.

As a Junior Fellow you will also be entitled to a staff IT and email account to aid the School's communication with you, access to staff common rooms, and use of the School Library on payment of a deposit.

As a Junior Fellow you will have the same room booking access as students. Any bookings required for Junior Fellow projects will need to be made through the Music Office.

- respect the confidentiality of the information you may have access to whilst you have staff IT and common room privileges

Right to cancel

We may cancel your enrolment with the School if the offer of admittance was based on false information supplied by you, if your immigration status changes and you are no longer entitled to study in the UK, or if you have broken our terms and conditions in a material way as determined by a recognised procedure (e.g. disciplinary committee hearing).
